Commissioners of Oxford
Oxford, Maryland 21654

Gentlemen:

Enclosed is a copy of the Articles of Incorporation, Oxford Community Center, Inc. which is in the process of being filed with the State Department of Assessments and Taxation. We have applied for tax exempt status.

We plan to have an organizational meeting of the Board of Trustees the week of June 23, 1980. We will report to you again after that meeting.

We will soon begin raising the money necessary to make repairs to the building and also for the operation of the Community Center. As we have discussed before, we sincerely hope that the Town will contribute the money which would have been used for demolition for the preservation of the building to be used as a community center for the residents of Oxford.

As stated in the above Oxford School report, the continuing operation and maintenance expenses will be raised through various income sources at the center and from contributions but will not be a burden on the Town of Oxford. The Board of Trustees will be responsible for all aspects of operating the Oxford Community Center.

As you requested, we are replying to the Talbot County Council, a copy of this is enclosed.

Yours very truly,

Philip G. Conner
