Commissioners of Oxford  
Oxford, Md. 21654

Gentlemen,

The Save Oxford School Committee met and unanimously agreed to accept your suggestion to form a non-profit corporation to own or lease the Oxford School property and to operate it as a community center. The corporation will be called the Oxford Community Center, Inc.

It is our understanding that the Town of Oxford will make available the money which was to be used for demolition toward the preservation of the building. Additional necessary funds will be raised by other means.

Oxford Community Center, Inc. will operate the property for multiple uses for the pleasure and enrichment of people of all ages in the Oxford community. We believe that there is active interest in this project and that many very capable people will contribute their leadership and participation to accomplish this.

We appreciate your trust and your willingness to work with us.

Yours very truly,

Philip G. Conner  
Chairman: Save Oxford School Committee
